

Suggested Items for Your Assisted Living Private Room

We offer a fully furnished room at no extra cost to you. **Your room includes a hospital bed, electric lift recliner, armoire, three-drawer dresser, nightstand, lamp, telephone, TV, small refrigerator, and microwave.** You are welcome to provide your own furniture if you prefer. In addition to the items provided by Dove Healthcare - South Assisted Living, we recommend you bring the following:

Furniture

- Pillow(s), sheets (*at least 2 sets*), comforter, blanket, and mattress pad
- A dresser or preferred piece of furniture to provide additional storage space

Bathroom

- 3-4 bath towels and washcloths (we provide bath towels)
- Bathing items (shampoo, soap, shaving items, etc.)
- Hand soap, soap dish, and cup
- Incontinence products and wet wipes (we can order these products for you if you prefer; the cost would be added to your monthly statement)
- Other personal toiletries

Miscellaneous

- Night lights, alarm clock, and radio
- Laundry soap (if you plan to do your own laundry)
- Pictures or other décor to personalize your room (please allow maintenance to hang these for you)
- As a fall prevention measure, we recommend stockings with “grippers” on the bottom

For Your Safety:

- Furniture placement must allow for full access and a safe walking path for the resident and employees.
- Our maintenance employees must approve assistive devices, such as toilet seat risers and assist bed rails, prior to your use.

For Your Safety! **Please Do Not Bring:**

- Extension cords
- Throw rugs
- Toaster, toaster oven, hot plate, or coffee maker
- Step stool, foot stool, or ottoman
- Chair(s) with wheels or rocking capabilities
- Bed with wheels (or wheels must lock)
